

DO 1 THING

GOAL FOR MAY: Work, School and Community

Make sure the people who count on you are prepared for a disaster.

❖ **Make sure emergency procedures are in place for your workplace and/or school.**

- ❖ Make sure evacuation routes are marked on a map and posted in the building.
- ❖ Develop an Emergency Plan and be sure it will work for everyone.
 - ❖ Hold emergency trainings and drills.
 - ❖ Help create an emergency kit for the facility.
 - ❖ Know the locations of fire extinguishers and AEDs.

❖ **Give emergency kits to people who count on you (college students, elderly parents, etc.).**

- ❖ Put together basic emergency kits for people who may not be able to do so for themselves (students, elderly, disabled) or for those who may not think of doing it for themselves. Include a prescription list.
- ❖ Choose an emergency contact who does not live near you that everyone will call during a disaster.
 - ❖ You and students should register for any emergency notification system in your home area and on campus.

Emergency Planning

STUDENT SAFETY

❖ **Know how others in your community will respond in a disaster.**

- ❖ Talk to other people when you are developing an emergency plan for a school, workplace or organization.
- ❖ Make sure that what you are planning won't interfere with emergency response.
- ❖ Find out if your community has designated evacuation routes for disasters.
- ❖ Know where emergency tools are: fire extinguishers and AEDs (Automatic External Defibrillators).
