

Mammoth Hospital invites you to meet our newest orthopedic surgeon, **Stephen Knecht, MD!**

Specializing in the Foot and Ankle and Orthopedic Trauma

When: Wednesday, July 9th
5:00-7:00^{PM}

Where: Mammoth
Orthopedic Institute
Bishop Office
162 South Main St.

Stephen L. Knecht, M.D.

Light refreshments will be served.

Dr. Knecht is a board certified orthopedic surgeon with fellowship specialty training in foot and ankle disorders and orthopedic trauma. His conservative approach to treatment of musculoskeletal issues prioritizes patient education and collaborative decision making. He utilizes a holistic approach in treating patients of all ages that includes physical therapy and strengthening modalities, orthotics and bracing, nutritional optimization, and when necessary, surgical solutions.

Dr. Stephen Knecht and his wife, Kristi, are excited to join our mountain community of Mammoth Lakes. In their free time, they enjoy trail running, mountain and road biking, surfing, skiing, and family camping trips. They have also been active in annual orthopedic missions to Central America, treating adult and pediatric lower extremity problems and deformities in medically underserved areas.

Currently accepting patients in both Mammoth and Bishop locations as part of our team of comprehensive orthopedic specialists.
